Only 50 Km from Cagliari, in the Chia area, in the extreme south of Sardinia, the Lighthouse "Faro Capo Spartivento" dominates the landscape from the homonymic promontory. Surrounded by a still wild and unspoiled nature, where the Mediterranean scrub grows with its splendid colours and scents, the Lighthouse stands on a cliff overlooking the sea, reachable by a dirt road closed to the public. The space outside the Lighthouse, skillfully designed to make the building appear as the natural extension of the rocky promontory, offers endless different viewpoints from where to enjoy the spectacular surroundings. At the front of the building, overlooking the sea, a 200 m2 raised teak deck features a 14x6 m infinity swimming pool with two Jacuzzis. At both sides of the pool, the elegant white leather seating areas are the perfect place to enjoy breakfast or sip a drink at sunset. At the rear of the building, the 3000 m2 garden has a 12 m fireplace and a spacious lounge area. The central raised area features eight crystal gazebos, 16 m2 each, where guests can dine and enjoy the splendid views.
